Prepared AT LM

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of White River Sloughs as heretofore granted under Permit No. 2824 is issued subject to the terms and conditions imposed in said Permit No. 2824 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. Necessary structures must be installed so that prior downstream rights can be served. The State retains the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 12 cubic feet per second.

Actual construction work shall begin on or before October 3, 1951

Proof of commencement of work shall be filed before November 3, 1951

Work must be prosecuted with reasonable diligence and be completed on or before October 3, 1952

Proof of completion of work shall be filed before November 3, 1952

Application of water to beneficial use shall be made on or before

October 3, 1953. Proof of the application of water to beneficial

use must be filed with State Engineer on or before November 3, 1953

Proof of commencement of work filed OCT 3 1951

Proof of Completion of work filed OCT 3 1951

PROOF OF BENEFICIAL USE FILED NOV 3 1954 { Gubler  
Map Filed NOV 3 1954 { Hendrix WITNESS MY HAND AND SEAL this 6<sup>th</sup> day

of April, 1951
